Dear Sir

**Ref. Directive 2012/19/EU on Waste Electrical and Electronic Equipment.**

Black & Decker takes its role on compliance with legal matters very seriously.

We have reviewed the requirements of this directive on a pan European basis and have implemented the necessary procedures to control our obligations therefore we consider that the requirements of EU Directive 2012/19/EU are fulfilled through the completion of the following actions.

- Where required our products are marked with the appropriate symbol
- Where required we are members of the required member state compliance schemes
- Information is placed in our instruction manuals and websites.

Should you need any further detail please do not hesitate to give me a call.

Yours sincerely

Colin Thirlaway
